Safety Assessment for a Product

Statement Number: SN-2006-10-04
Version Number: 0
Date of Issue: March 13, 2006
Supersedes statement number: 0

I the undersigned Prof. Sarah Brenner am a specialist in dermatology, duly authorized according to the European Cosmetics Directive (67/768/EEC) to conduct and take responsibility for the safety assessment of cosmetics products. The following statement has been prepared in accordance with those regulations and in particular Article 2 and 7a.

Product Name: **Sycamore Multipurpose Wipes**

Version Number: 01

Taking in consideration the general toxicology profile of each ingredient used, its chemical structure and its level of exposure, the presentation of the product, its labeling and instructions for use and disposal and any other information provided, it is my opinion that the product identified above is not liable to cause damage to human health when it is applied under normal or reasonably foreseeable conditions of use.

This statement is valid until: March 13, 2008

Signature of safety assessor:
